MEMORANDUM FOR: Director of Training and Education
THROUGH: Deputy Director for Science and Technology
FROM: [REDACTED]
Director, Foreign Broadcast Information Service
SUBJECT: Change of Dates for Brookings Program

[REDACTED], Chief of the FBIS Analysis Group's USSR/Europe Division, has been selected by the Training Selection Board to attend the Brookings program: Perspectives on Public Policy, 9-11 March 1986. FBIS has an operational need for [REDACTED] services during that period to deal with the press of analytical production that will result from the Soviet Union's Communist Party Congress, scheduled for late February to early March 1986. I request that [REDACTED] instead attend the 11-13 May 1986 session of the same program. TSB has indicated that there is no problem with changing the dates.
